Past Performance Success

"It is a pleasure to work with people who know the meaning of efficiency; therefore, I am pleased to write a recommendation letter for Auerbach International. Besides providing accurate translations consistently, Auerbach International has also proven itself to be a dependable, reliable resource even when short turnaround time-lines are required.

As a City Vendor, Auerbach International maintains liability insurance and adheres to City standards. They also invoice accurately and maintain competitive pricing. When requesting services, they submit work most often before deadlines.

Based on my experiences, I am confident Auerbach International is able to provide excellent translation and interpreter services for your organization."

Administrative Analyst SF Department of Public Health Office of Cultural Competence

"We loved the work on the Complaint and Consent Forms job. Great work. Auerbach did extremely high quality work on a rapid turnaround. My Arabic reviewer was so impressed with your Standard Modern Arabic that he could find nothing to correct. 'Those translators are really good!' Your whole job was quite an accomplishment and you guys should be proud. Only rarely does the machinery around here get that cranked up to give compliments."
