Connecting clients to cultures and countries

## For Affiliates

**B**ecause your support matters immensely, we are pleased to compensate you for suggesting partner companies or clients who can benefit from our precise language and global marketing solutions.

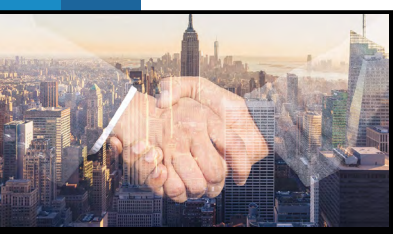

### Advantages for your referred organizations

They deserve and gain:

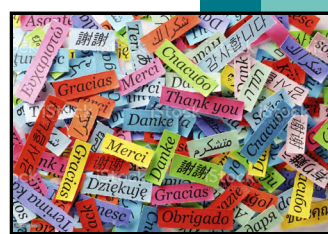

- advice about cost-effective ways to reach their ethnic US or global-expansion goals;
- cultural adaptation of expressions, nuances, images, colors, symbols, etc. for their target market ... which Machine Translation and most AI programs do not do;
- a high value, reliable partner with almost 35 years of expertise and award-winning customer service; and
- guidance about viable country markets to enter, strategies to enter them, and cultural cues to prevent venture-damaging business gaffes.

### Advantages to you

One-time automatic payment for all contracts above \$1000.

**You personally or your company will earn:**  
**17% for all contracts from \$1000 to \$5000.**  
**20% for all contracts above \$5000.**

Additional compensation for lucrative referrals will be provided.  
Nonprofits: You will earn credits on your current or future projects with us.
