Connecting clients to cultures and countries

For Clients

Because your support matters immensely, we are pleased to compensate you for referring others who can benefit from our language and global marketing solutions.

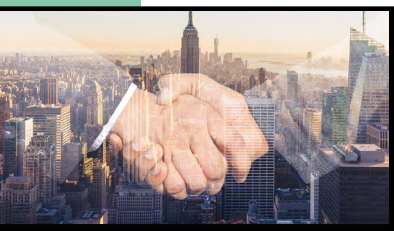

Advantages for your referrals

They deserve and gain:

- advice about cost-effective ways to reach their ethnic US or global-expansion goals;
- cultural adaptation of expressions, nuances, images, colors, symbols, etc. for their target market ... which Machine Translation and most AI programs do not do;
- a high value, reliable partner with almost 35 years of expertise and award-winning customer service; and
- guidance about viable country markets to enter, strategies to enter them, and cultural cues to prevent venture-damaging business gaffes.

Advantages to you

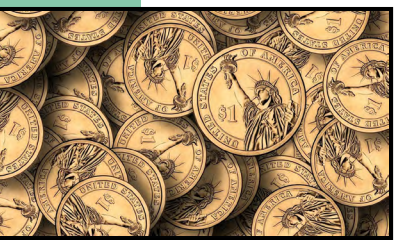

Automatic payment for all contracts above \$1000. Additional compensation after the first contract date for the referred client's continued projects over the next 12 months. We will inform you each time your referral contracts.

You personally or your company will earn:
10% for all contracts from \$1000 to \$5000.
15% for all contracts above \$5000.

For special clients referring numerous projects, we will discuss a special rate. Nonprofits: Your contracted referrals will earn you credits on your current and future projects with us.
